Youngest Bishop Consecrated In Oldest U.S. City

St. Augustine — (NC) — The very young was blessed strikingly with the very old when the Church's centuries-old rite of consecration was performed here in the oldest city of the nation and Bishop Thomas J. McDonough, Titular of Thacnae and Auxiliary of St. Augustine, became the youngest member of the United States Hierarchy.

The solemn and colorful ceremony was performed in the Cathedral of St. Augustine, which was filled to overflowing with dignitaries of the Church, officials of State and hundreds of priests, religious and members of the laity.

The Rev. Dennis Cardinal Dougherty, Archbishop of Philadelphia, served as consecrator of the 36-year-old Bishop. The consecrator was Bishop Emmet M. Walsh of Charleston, and Bishop J. Carroll McCormick, Auxiliary of Philadelphia, who only a week before had been consecrated in Philadelphia.

There was one note of sorrow in connection with the brilliant ceremony — the absence of Bishop Joseph P. Hurley of St. Augustine. In his sermon at the consecration, Bishop Michael J. Hayes said:

WILLA CATHER DEAD AT 70

New York — (AP) — Willa Cather, one of the nation's foremost novelists, who died of a cerebral hemorrhage at her home here at the age of 70, was destined to dwell in her own lifetime on those austere literary heights reserved for the writers of works accepted as classic. Miss Cather was a 1922 Pulitzer Prize winner with her novel, "One of Ours."

In 1927, after she had caught from a remarkable Roman Catholic priest "an intuitive understanding of the civilization his predecessors had wrought in New Mexico," Miss Cather wrote "Death Comes for the Archbishop."

Although she was not a Catholic, Miss Cather once told the N. C. W. C. News Service, that this fact does not prevent me from admiring many heroic qualities in the Roman Church, and especially the noble record of its missionary priests."

In 1928, Creighton University of Omaha conferred the honorary degree of Doctor of Laws upon Miss Cather, and in 1937, she published "Shadows on the Reich," a book based on the history of the Catholic French-Canadian civilization of Quebec.
