Catholics Keep Strength in China

Shanghai - (NC) The immense staving power of thee Catholic Church in China is shown in the first compilation of . mission statistics which appeared here in four years.

This is the year book, published by the French Jesuits the 1947 edition of which has just

been issued. Because of disrupted communications, this year book gives recent figures only from 61, less than one-half of China's 138 ecclesiastical divisions. However, some returns have been received from some part of every province, thus providing a wide cross section

Despite losses caused by deaths and migrations, the total numof Catholics in China is estimat-

sionaries, the number of foreign piesis in the areas covered by the survey has decreased only by 120 during four years of
