# Czech and Slovak Catholics Targets of New Prague Attacks

bittes attacks by this rountry s medical press on bishops, pricate and Cathelic institutions in Slovakla bave been further silmulated by a statement of Klement Consumist Prime Min ister of Czechoslovakia, who receptly asserted in a public speech that while Cresh priests have already become layal to this tr public, the loyalty of Sanaha s clergy is not a fact

There were sharp protests from two sides against that statement In the part of Czech Catholica. the use of the word "already was severely crithized as imply ing that at some time in the past Czech Catholics had been disloyal. The prime ministers as sertion was refuted by reter ences to the hundreds of Crech priests who had suffered and died at the hands of the Nazis

The premier's reference to the alleged lack of toyalty on the part of Slovak bishops and priests elicited protests by Catholic jour nais in Slovakia They affirmed that the loyalty of Slovakla's bishops and priests was an in tilsputable fact and denounced as a calumny any assertion to the
