RAIN OH CLEAP

HOLLYWOOD IN BOCUS Action Urged By Delegates

inset in favor of Russia:

While crowds of film people and fans swarm in and around the Catholic Information Center to see the competing films or to catch sight of stars like Elanor Parker and Ray Milland, taxi drivers with flags on their American-made autos, urging the populace to "See a good British film," do a isndednee business. Fashionable restaurants put on huge meals and uncork aged champagna, although the Belgian people themselves are mostly on starvation rations. It is the same they fell me, all over way who must try to turn out most of the most of the most of producers with flags on their American-made autos, urging the populace to "See a good British film," do a isndednee business. Fashionable restaurants put on huge meals and uncork aged champagna, although the Belgian people themselves are mostly on starvation rations. It is the same they fell me, all over way who must try to turn out movies stricken Europe. Money can buy almost everything except peace of mind can anythy swars and a respect to the fathelic grees. Mr. Cummings read a respect to the Comming read a respect to the conting the latitude of the limited to the fathelic grees. Mr. Cummings read a respect to the conting the latitude of the limited to the followers between the latitude of the limited to the conting the public and by the latitude and by the limited to the conting the public and by the latitude and by the latitude and by the latitude and by the limited to the conting the public and by the latitude and by the latitude

"Te effectively coemplished and the work of the Lerion of Decency must only the confidence of the public the report continued. "Is must earn this confidence of the public by intelligent, objective and of interested they will the criticism of films." to please all of the people all of the time. It is worth a try too,

"Hence, the Legion, withough welcoming the cooperation of the industry and of other grappe interested in the same process, must remain independent them, civily and every other way of the industry and its allied controls. industry and its allied controls. Past experience has shown that flocts acorpiability of diversa.) where there has been any man-CENTERY
