Fatima Statue Travels

Paris — (INS) — Crowds of devout Catholics fell on their knees as a special statue of Our Lady of Fatima, Patron of Portugal, reached Hendaye on its way through France and Belgium to Maastricht, Holland, where it will be displayed during a Marian Congress. After leaving Holland, the statue will be carried to Rome and presented to Pope Pius XII as a gift from the faithful in Portugal.

TELLS OF OVERSEA FLIGHT

Rev. Cornel A. Van der Meulen, C.SS.CC., pastor of Our Lady of Victory Church displays airplane tickets used in his flight to Belgium and return in describing trip to the Rev. Willibard Willinsen, C.SS.CC., assistant pastor at the Pleasant St. rectory.

Faith Strong in Belgium Returned Priest Declares

(Continued from Page 7)

eption took place at this Flanders shrine when a Belgian railroad man whose leg had been shattered and shortened in a railroad wreck was completely and instantaneously healed while praying before the Belgian grotto.

Louvain Ruined

Father Van der Meulen spoke regretfully of the destruction that the war had brought to Belgium. His beloved Louvain University where he had studied under Cardinal Mercier and Cardinal Von Roy has been devastated. "It was hard to see. The beautiful buildings were ruined to the very soil."

Other marks of the war that reminded him of Belgium's struggle were the razed bridges and ruined roads, the German bunkers and beach fortifications still standing along the North Sea, and the huge cemeteries. Near Father Van der Meulen's home town there is a military cemetery where 90,000 Canadians are buried.

"But the way they have rebuilt their cities and villages is amazing," Father van der Meulen said. "There is lots of work for all and everyone is busy. The Belgian builder puts Americans to shame," he said proudly.

"In America they build a house to live in. In Belgium they build for beautiful living—comfort and beauty are the first aims. The modern styles that are springing up in the cities are distinctive and very ornamental."

In his visit to his home town, Father Van der Meulen met five or six men who had made their First Communion with him. While in Sleidinge, he celebrated a jubilee Mass for the 50th wedding anniversary of his brother when a family reunion brought together a score of relatives and fourteen grandchildren.

Will Be 70

Father Van der Meulen, who will be 70 on November 19, has been in the United States for 39 years. He was ordained to the priesthood in Belgium in 1908, a member of the Congregation of the Sacred Hearts of Jesus and Mary. After two years in a parish in Birmingham, England, he served in mission work in Massachusetts and California. He came to Rochester in 1913 and became pastor of Our Lady of Victory Church in 1927. He has made other brief visits to Belgium in 1924, 1930 and 1935.

SCOTT

RADIO PHONOGRAPH

In Southern New York and Northern Pennsylvania

● In all parts of the country, there always are a few discriminating and substantial persons who will be content with nothing but "The best" and, of course, when a radio-phonograph is under consideration, "the best" can mean only the Scott. Therefore, Doylemary is rightfully proud of its distinction in being authorized to offer the Scott in the vast territory extending from Oneonta on the east to Buffalo on the west, from Rochester on the north to Harrisburg on the south.

● If you are one of the aforementioned persons, and do not have a Scott, Doylemarx invites you to ask for a catalog and to request a demonstration, either at the store or in your home, at your earliest opportunity. When you hear its marvelous reception of standard, frequency modulation, and international short-wave radio and its superb reproduction of recordings, and when you see the aforementioned cabinets you will appreciate why the Scott is universally recognized as the world's finest radio-phonograph — and will be satisfied with nothing less!
