Stella Maris Boys Mark Camp's 22nd Year

Camp Stella Maris, the diocesan camp for boys, on Conesus Lake, is experiencing the wettest summer in the 22 years of its existence but it has never been so well filled with noisy, funloving campers.

The camping season opened on June 29 with the athletic field a velvet green carpet, the Main House and cabins newly painted, and the staff of 18 seminarians from St. Bernards and St. Andrew's Seminaries standing by for a wild summer workout under the direction of Camp Director Rev. Walter A. Fischer and Head Counsellor Elmer MacDonald.

Water Sports

The first week brought 100 campers, including 50 boys from St. Joseph's Villa. Some of the boys had never been boating or canoeing previously, and many did not know how to swim. The greater portion of their time was spent on the waterfront but the ball field and the craft lodge were not neglected.

At the end of the first week the entire camp was divided into two groups, the Blues captained by Tim Schantz and the Whites led by Joe Merkel. Violent Blue-versus-White battles in baseball, basketball, races, dramatics, diving, swimming and canoeing, terminated in a victory banquet and prizes were awarded to the Best Campers. Joe Merkel in the Senior Division and Tim Leary in the Junior Division.

On July 6 an invasion of 105 new campers hit the Camp. Laughing at the rain and heavy weather that often drove them inside, the boys worked in the craft lodge, swam in all storms, and put on indoor entertainments. A memorable event of the week was a carnival staged by the campers complete with concessions, sideshows, barkers and games. Sixteen of the older campers found the thrills of real outdoor life by taking a hike to St. Michael's Mission House on Hemlock Lake, where they camped under the stars for two days and nights.

On the closing night of this encampment, the campers all dressed in their Sunday-best for the final banquet. There were speeches by Father Gerald Lambert and Father Walter Fischer, and the presentation of Best Camper awards to Mike Finigan as Senior and Bill Keefe as Junior winners. The victory of Mike Finigan's Blues over the Whites captained by Joe Schmitz was toasted with the winners' prize—a bottle of pop for each Blue. Three former Head Counsellors, Fathers Mulcahy, Tormey and Meng were guests of honor.

Pop's on K.P.!

Poor Pop! How willingly he took over when Mother got the grippe. But Mother will have a nervous breakdown when she sees what's happened to her favorite kitchen!

Pop hasn't yet caught on to Mother's way of keeping house electrically. He hasn't yet learned that dependable electric service can take a lot of work out of housework—not only in the kitchen, but in every room of the house. For electricity is like many extra pairs of hands for the housewife—and the home-husband, too, when he takes over K.P.

But there's one thing Pop does know, because he's the lad who pays the bills. He knows that electricity is just about the smallest item in his family budget—even though he may not realize that the average family gets twice as much electricity for its money as it did 10 years ago.

It costs so little—and it does so much! Yes, electricity is a big household bargain that comes to Pop—and to you, too—through the practical experience of your friends and neighbors in this company, under sound business management.
