

Encyclical Aided Labor, Budenz Says

New York—(AP)—The American labor movement owes its spread to a marked extent to the Encyclical Humani Generis of Pope Leo XIII, Louis F. Budenz, former editor of the Communist Daily Worker and now on the staff of Fordham University, stated on the Catholic Hour Sunday evening.

A GIRL'S Personality...
Is Expressed Through the Colors She Chooses
Girls express their personalities through color in their clothes, in their accessories, and in the decorating of their rooms. They like plenty of color and they quickly learn how it can be used to best advantage.
A girl's room should always be decorated in colors that appeal to her—colors that emphasize her personality and particular type of charm.
Our experts will be glad to recommend color schemes that will accentuate a girl's personal traits to her advantage.

Mountain-Moving Macs Get China Mission Supplies

Shanghai.—Meet the two Macs who move mountains. To find them, you must pick your steps between some of the mountains—stacks of food, medicine and clothing piled high in a godown (warehouse to you) on Rue Chapsal, Shanghai. Behind the storeroom there's a tiny chapel.

Upstairs you see a line composed of two nuns, a Russian truck driver, a bearded bishop and a Chinese priest advancing on a couple of desks. Behind the smiles behind the desks are the two Macs. They are Father Frederick A. McGuire, C.M., of Brooklyn and Father John H. McGuey, S.M., of Toronto, executive secretary and associate secretary respectively of the Catholic Welfare Committee of China.

Since last July, when Archbishop Mario Zampini, then Apostolic Delegate, called for the establishment of a central Catholic welfare office, these two priests have moved not only mountains of material but also mountains of administrative obstacles, doubts and difficulties.

Nun, Priest of India Honored by Government
New Delhi.—(AP)—High public honors have been recently conferred on several members of the church in this almost 99 per cent non-Catholic country.

Mother Mary Josephine, superior general of the Congregation of the Apostolic Carmel, was given the Kalash-Hind Medal in connection with the celebration of the birthday of King George VI of England. The award was made in recognition of the sister's services in the field of education. At the same time the Rev. I. H. Lobo, editor of the Marathi Messenger of the Sacred Heart and pastor of Dornahill in the Mysore diocese, has been appointed by the Government of Mysore a member of the District Administrative Board for a period of three years.

Former Lithuanian Premier Arrives in England As DP

London.—(AP)—Brigadier Jonas Cerulus, Lithuania's Prime Minister in 1938, has arrived in Britain as a Displaced Person with the status of European Volunteer Worker and joined a group of 300 of his compatriots to receive the allotted weekly "pocket money" allowance of five shillings (one dollar) until he secures employment.

Cardinal Asks Abstinence Union in Every Parish

Baltimore, Md.—(AP)—Dennis Cardinal Dougherty of Philadelphia, in a message to the 75th annual convention of the Catholic Total Abstinence Union of America, declared "there seems to be more need now than ever" of setting up branches of the union in every Catholic parish, university, college, and high school in the U. S.

Cardinal Dougherty is spiritual director of the union, whose members, men and women, boys and girls, voluntarily abstain from intoxicating drinks "in honor of the Sacred Thirst and Agency of Our Saviour."
