CLASS C-Condemned

REVIEWED THIS BELK Black Narrissus—The character of this film and the attitudes displayed therein create an impression that constitutes an affront to religion and religious life. It ignores the spiritul motivation which is the foundation and safeguard of cellifous life and it offensively tends to characterize such life as an escape for the abnormal, the neurotic and the frustrated.

Many people have written me at various times, suggesting that it might be a good idea for Catholics throughout the "Church of the Air" Sunday, United States to pool some money and sponsor the making

Kennedy. Program is heard thought is a worthy one. These from 10:30 to 11 a. m. EDT over who welected it saw that in order to llius.

trate Catholic acquiment test films of hirt moral and spiritual tone can succeed at the bex-office, we might present the Holly. wood producers with a little action instead of a lot

of talk. W. H. Mooring The hazards seemed great. I doubted the practicability of the idea. I wondered out loud who would assume responsibility for the choice of suitable stories and the highly specialized business of producing them. There would, I know, be a tremendous rush of earnest volunteers. Many would be confident, although Thursday at 13 to the same they never had set foot inside a WEAT-THE FAMILY THE would be confident, although film studio, that they could show Darryi Zanuck a few new tricks.

There would be hundreds. maybe thousands of embryonic actors pushing up through crowds to get their first screen

Finally the 64-dollar question would arise Who would be willing to distribute the film. Even a good film may not find its way on to the market unless it is sponsored by major film interests who control Hollywood and the American theater systems. Well, in spite of distribution hazards, it has just been done in
