CYO Purchases Land For Athletic Field

Ithaca — (Special) — The Catholic Youth Organization of Immaculate Conception parish has acquired property of nearly 8 acres adjoining the Newman Municipal Golf Course for the development of a complete athletic field.

The new sports field is located on the Pier Road, an extension of Willow Ave. The property was obtained for the CYO by purchase from Mr. and Mrs. John Crepinko through Joseph J. Kiely.

Father Hedges

The officers and advisory board members of the CYO headed by the Rev. John Hedges, assistant pastor of Immaculate Conception Church and the organization's spiritual advisor, have already begun a long range program for the development of baseball diamonds, a football field, basketball, handball and tennis courts, track events and a picnic grove on the new property.

A baseball field in the center of the proposed layout will be the first project in the 6-year program of construction. The final development of the athletic field will include facilities for the whole family and will provide a place for many parish activities.

The Catholic Youth Organization was established by Father Hedges and a committee of men of the parish with the approval of Rev. William Byrne, pastor of Immaculate Conception, in October, 1946, for all the Catholic boys of high school age in Ithaca. Operating under control of an Advisory Board and a staff of counsellors, the boys manage their own program of religious, social and athletic activities. The members receive Holy Communion in a body on the first Sunday of each month and hold meetings on the first and third Sundays. In its first year, the CYO has sponsored basketball and baseball teams in city competition, held several dances and arranged group outings in local parks.

Winter Program

For the winter months, four rooms in the Ithaca Journal building have been furnished as lounge and clubrooms with pool table, ping-pong, radios, coke and candy machines, chairs, tables, games and reading matter.

The development of the new athletic field will provide summer activities and will increase the scope and attractiveness of the whole CYO program.

The present officers are: President, Francis Dooley; vice-president, Robert Taylor; secretary, William F. Waters, and treasurer, John Glanonni.

On the Advisory Board are: W. F. Alder, William H. Egan, James A. Freeman, Frank Kavanagh, George Laucht, Michael J. Leary, Peter J. McManus, Frank Rogan, Norbert H. Schickel, B. W. Taber, W. A. Sprague, Joseph Tatascore, and William J. Waters.

To raise funds for the development of the new athletic field the CYO sponsored a benefit performance of the famous Broadway play, "The Glass Menagerie" to be presented by the Finger Lakes Dramatic Festival in Ithaca College Theater Thursday evening of this week.

White Sox Head Back to School

St. Paul, Minn.— (NC) — Charles Comiskey, youthful president of the Chicago White Sox baseball club, will return to St. Thomas College here this fall as a student, he has informed school authorities.

Mr. Comiskey dropped out of St. Thomas last February to assume his baseball duties but will re-enter for the opening of the fall semester September 8.

Pius X Tomb Pilgrimage Set

Boston—(NC)—Bishop John J Wright, Auxiliary of Boston, has left for Paris and Rome in order to represent Archbishop Richard J. Cushing of Boston in completing plans for the projected pilgrimage to the tomb at St Peter's in Rome of Pope Pius X, the modern founder of the Christian Doctrine.

The pilgrimage was proposed amid great applause by Archbishop Cushing at closing sessions of the Confraternity's national convention here last October and is expected to be conducted sometime late in 1948. To be carried out under the patronage of Archbishop Cushing and the auspices of the Confraternity, the pilgrimage itinerary is expected to include Riesa, Italy, the birthplace of Pius X, Lourdes and other Catholic shrines in France.

While in Rome Bishop Wright, who is spiritual director of the League of Catholic Women in the Boston archdiocese, will attend the international convention of Junior Leagues of Catholic Women to be held in the Eternal City from September 7 to 15.

How to be a Centenarian
● Scientists are saying, you know, what man should live on the average for 100 years. And they're working, now on the problem.
Not all of us, perhaps, would want to live for a century. But regardless of the number of our years, we want to live them free of lingering ills. And on that score, the men of science can do much for us. Consult your Physician. Work with him toward the goal of a longer, happier life.
