ELMIRA K. of C. PLANS TALKS

Elmira — Rise and growth of Communism in this country will be the subject of an address by a native-born Russian to Elmira Council, Knights of Columbus.

The lecture, which will be held in the near future, is part of a program worked out by the newly formed Knights discussion group. Plans for the Russian speaker were announced at a meeting Monday in Columbus Russian Center.

Communism from an economic, political, cultural and moral viewpoint will be analyzed. Purpose of the discussion program is to develop well-informed Catholic leaders who will be as well informed on Communism as the Communists are. A collection of literature on the Russian experiment will be obtained for study purposes.

The group of nine members has been formed under direction of Attorney Daniel J. Donahue, lecturer. Next meeting will be Monday, Sept. 22.
