Monstrance Used First Time On College Dean's Feast

The Feast of Saint Teresa of Avila, Spanish mystic and Doctor of the Church, was the occasion for a program in honor of Sister Teresa Marie, the Dean of Nazareth College. Faculty and students assisted at the Holy Sacrifice of the Mass celebrated by His Excellency, Bishop James E. Kearney.

An assembly followed with a program in which the following participated: Elaine Kolsenik, president of the Undergraduate Association, Mary Kay O'Sullivan, prefect of the sodality; Margaret Kity, president of the Fremin Mission Unit, and Noreen Carey, president of the senior class.

Benediction of the Blessed Sacrament given by Bishop Kearney closed the formal exercises. A new monstrance, the gift of Bishop Kearney to the college, was used for the first time on this occasion. Mary Burns of Syracuse was chairman of the day.

In the afternoon the lay faculty and a large number of students attended a cabin party at Maiden Ponds Park, sponsored by the Athletic Association under the chairmanship of Miriam Garry of Albany.

The day's celebration came to a close with a dinner for resident students at John Fisher Hall, of which Shirley Moorhead of Utica was chairman.

Members of the local chapter of the Gold Star Mothers will receive the flowers.

On Monday at noon, a parade of Navy units and veterans' groups will form at the Eastman Theater and carry the flowers down Main Street to a reviewing stand at the Court House. The Rev. John S. Equity Knights Hear Irish Missionary

What confronted an Irish missionary in China during ten years there was told to the Knights of Equity by the Rev. Arthur Waters of the St. Columban Fathers at Corpus Christi Hall, Wednesday.

The Church's prestige in China has risen as a result of the missionaries' defense of their charges against the Japanese and their alleviation of miseries, the missionary said.

Language difficulties and the need for food and clothing in the inflationary period were described as burdens to the missionaries. Father Waters told of his own parish with 32 mission stations that had to be covered on foot. Chinese families, he explained, were so poor that he could remain but one or two days with them.

The Irish missionary enroute to Ireland for a rest was presented by F. M. O'Connell.
