## Hail Papal Relief

Rome (NC) Congressmen Joseph L. Pfelfer of Brooklyn and James G. Fulton of Pennsylvania declared themselves very impressed by the Pontifical Relief Commission after studying its methods and operations.

The congressmen, members of the House Foreign Affairs Committee, are touring Europe to study relief needs in general and particularly the problems concerning displaced persons. They expressed particular satisfaction with the effective organizational arrangement whereby the relief is distributed on the basis of in dividual's actual need rather than of a quasi-legal status, regardless of need.
