HOLLYWOOD IN FOCUS

By W. H. Meering

Action taken by Cardinal Dougherty of Philadelphia against the public exhibition within his Archdiocese, of two films condemned by the National Legion of Decency, brings to the surface facts which every Catholic in the U. S. A. should security opposed to films which

study with calm resolve.

in spite of

con de mna

theaters in to

been booked.

ually was withdrawn.

which they had

menace the morally of the nation.

THE PLEDGE you take, whe ther solemnly or slavenly uttered, plainly binds you as a member of the Legion of Decency to "do all that I can to strengthen public opinion against the production of indecent and immoral films and to unite with all who pretest against them." It is possible, even probable

that because your membership in the lerion costs you nothing show them. W. M. Moering by way of annual subscribtion. One of the offending films eventyou do not hold as highly as you should the privileges of such His Eminence had travoked the memberahip. If this sappess in spirit and letter of that part of your case to be true ,it is time to the Legion of Decency Fledge by readjust your sights.
which every practicing Catholic For the fact is that certain

promises under sacred oath "to Hollywood motion picture prostay away altogether from the ducers move in open defiance of aters which show indecent and the National Legion of Decency immoral pictures as a matter of and all other agencies working for the improvement of the mo-As a practicing Catholic you tion picture as a moral, intellecdoubtless stand in Church once tual and cultural force.

every year to take that Legion of One of them is known to have Decemey Pledge. You become said quite recently that the efautomatically a member of the fect of a legion condemnation of legion which is some 24,000,000 on individual movie is tanta strong You speak, however, for mount to a box office boost; that a much larger number. Many whereas millions of Catholics will millions of non-Catholics are honor their pledge and slay away from it, millions of others who might not in the ordinary course of events pay to see the film, will flock to see what is wrong with it

THE REMEDY for such a sit uation, if in fact it exists, is supplied by the Legion of Decency Piedge. This doubtless led Cardinal Dougherty to his recent decision and may lead others to take similar measures unless Hollywood mends its ways.

To persist in the production of indecent and immoral films of fers insult to the intelligence as well as the moral stature of the ing from the production of mo-American people. It invites any tion pictures based on immoral and every measure that can be books was expressed in the antaken by the American people nual report of the Bishops' Comin order to preserve those ideals for which so recently millions mittee on Motion Pictures.

If therefore, any of the Holly- the annual report from the Nawood illm producers imagines he tional Legion of Decency, the can gain commercial advantage Bishops asserted that the pracby making bad films, he should be reminded that he invites the tice of making such pictures ultimate in public resistance via tends to promote the writing and boycott, properly organized and increases the sale of immoral officially involved.

literature, thus constituting a Holls-wood's business interests menace to the moral standards are indeed in jeopardy when its of the American people, defiance of reasonable demands. The Bishons also not leads towards a ban not only of increased number of Class B The Bishops also noted the all the theaters showing offensive films (objectionable in part) films, but of all the movies made during the year. In 1947, the reby offending film companies. port stated there were 70 films

he big Hollywood producers placed in the B classification, may control the major theater compared to 60 so classified in chains, but if they choose to dis- 1946, regard the responsibility and The committee announced the flout the authority of the Church, appointment of the Rev. Patrick they should and must suffer the J. Masterson as executive secreloss of all patronage on the part tary of the Legion of Decency.

INDEPENDENT THEATER Classerty, who has been named owners already have pleaded dean of the National Catholic; with the Hollywood producers to School of Social Work at the watch where they are going Catholic University of America. They have protested against an increasing number of films which have placed them in a dangerous position with their customers. They want to show only decent of the Hollywood big shots, isolated from lines of thought which Time Out of Mind. B motivate a majority of the people, consider it clever to demon.
