The date more than Levenness contributed to the project by mentalogy of the online and Triesda, and they keep to have the new building completed by Christians for Pather Roverman. A thought of Pather Roverman. A though the return is secured to the church or as second with The basement.

Vatican Denies New Charge by Moscow

Rome - (NC) - Osservatore Romano has taken sharp issue with an article published in the Moscow weekly, New Times, and breadcast over the Soviet Radio, which stated that the Vatican : among those

trying to draw a distinction be trary, the most disinterested tween eastern and western civil trustee and the most faithful guardia is of its spiritual riches.

The Vatican has never admit ted an antithesis or contrast among the children of one redemption, the Vatican City daily commented, adding that those who profess the Christian name and faith cannot be placed opposite one enciner as dvilized and barbarian, sizee the very Catholicity of the Church signifies union and abhors divisions.

Noting that Christian civiliza-tion or that of other peoples of Azia, Africa or Europe went forth to the four points of the compass and was as imilated by all nations, Osservatore stated that Christian civilization can be called world civilization.

According to reports issued in this country by the Foreign Broadcast Information Branch, the article cited by Osservatore Romano was written by the So viet publicist liys Ehrenburg The broadcast version, in French. attributes the following remarks

"French a hool children are taught that ancient Greece was the cradle of European civiliza the same time. President Theo tion.
