A Christmas Appeal From Our Bishop

The Immigration Surem of the National Calholic Welfare Conference has called our attention to 300 men, women, and children in detention at Ellis Island. They are Germans, Poles, a few trish, etc., who fied from horrible political candillons, or seamen availing a chance to get back to their countries. All are

desperately to need of ciothing. Last year we called upon you to send childing to MISS HARGARET BUCKLEY, NA.W.C. REPRESENTATIVE, ELLIS ISLAND, NEW YORK, and you responded generously. Now we

are asking you again. in addition, we hope you will get up a small shipment of gifts for a little Christman celebration to try to bring a spark of comfort and theer to these unfortunate people.

Gifts which would be most acceptable are such things as MEN: flazors and blades, bandkerehiefs, pads and peacile.

toothbrushes, toothpaste, soap and towels, books, pustles, socks, WOMEN: Bonds, writing paper, toothbrushes, toothpaste,

soap and towels, washeloths, books, puzzles, sewing kits, hose, CHILDREN: Storybooks, games, toys, dolls told or new), etc. In the hustle and bustle of everyday living, we forget such

people as the detainers of Eilis Island, even though we know how much they merit our thoughts. We cannot attempt to thank you because the thanks will come from the people themselves; and the reward will come

I am sure you have some time in your Christmas planning, to send a package to these poor people.

Your devoted shepherd in Christ,

+ JAMES E, REARNEY.

N.B., Packages may be sent to:. Miss VI. Buckley, N.C.W.C. Agent.
