### Winter Sports on Campus, New Nazareth Activity

A Winter Carnival, an innovation in Nazareth College activities, will be staged by the Junior Class, Sunday, Feb. 8 on the campus. Proceeds will be used to augment the relief fund for European students, sponsored by the National Federation of Catholic College Students. A varied outdoor program will be presented in the afternoon from 2 to 5, including roller skating, ice skating on the new rink improvised on the campus tennis courts, with figure skaters as a feature, snow man competition and snow sculpture for those artistically inclined. Supper will be served in the cafeteria at 6:30, followed by the evening entertainment in the Auditorium. An all-feature program is planned, headed by the election of the Nazareth College Snow Queen. Each class has entered a candidate, selected on the basis of personality, attractive appearance and popularity. The Senior's choice is Miss Francis Colletta of Rochester; the Juniors have chosen Miss Helen Crotty of Jordan, N. Y.; the Sophomore candidate is Miss Irene Chen, one of the students from Shanghai, China; and Miss Helen MacGregor of Rochester will be the Freshman Queen. The Nazareth Snow Queen will be chosen on a purely objective basis, namely, the candidate of the class which contributes the largest per capita amount to the Student Relief Fund will be crowned in a fitting ceremony. The "Mik Hush" contest, promoted to secure slogans featuring the real need for student relief will also close that evening. Each slogan must be accompanied by a contribution to the Relief Fund and the contestants submitting the best slogans will be permitted to guess the identity of "Mik Hush," whose voice will be heard throughout the afternoon. Prizes will be awarded to successful contestants. Highlight of the evening program will be a ski movie, which will be shown at 7:30 by Dixon Perry-Smith, inter-collegiate ski jump champion at Syracuse University. He was the former instructor at the 10th Mountain Division of the U. S. Army and is now Ski Master at Biley, Lindsay & Carr Co.
