Workers Strive To Pass \$430,800 Red Cross Goal

The Rochester Chapter of the American Red Cross this week went more than half way to the 19-48 goal of \$430,800 for support of local and national Red Cross activities. The week-end campaign closes Monday night, Mar. 15 at the Chamber of Commerce.

His Excellency, Bishop James E. Keane, who gave the invocation at the opening banquet of the drive, made the following statement about the urgency of the appeal. "The campaign for the support of the American Red Cross," the Bishop stated, "should receive the enthusiastic support of everyone. The record of service of this great organization speaks for itself. Our people should welcome the opportunity to share in making it possible for the Red Cross to continue its work."
