At least when shows the cunning employed by these pictures made their first ap the U.S.S.R. in drawing to their pearance they did not.

THE TRUTH IS that "The Iron Curtain" is not a propaganda picture. It will have much more effect than if it were.

It does not tell us what the Communists of Soviet Russia are to film "The Iron Curtain?" up to behind the Iron Curtain. It said it was time to tell on the shows us, by the undenlable proof screen the truth about Russla's of what happened in Ottawa, Canada, just how far Stalin's "diplomats" will go in their efforts to get us all behind that curtain.
