Teen Talks 3 More Cured At Fatima Statue Rite

By NORMA L. DE REZ Toledo, Spain (NC) Three new cures have been reported in connection with the pilgrimage through Spain of the European seas season opening in Canada, and the original statue of Our Lady of Fatima. Some of the cures have been confirmed by doctors, but as in all previous cures reported in connection with the tour of the statue, Church authorities have maintained a policy of absolute reserve.

Wants To Belong Rejected Child Exposed To Delinquency Contagion

By MARIE WEIDMAN Rochester Catholic Charities There is one type of heart malady which cannot be measured or studied by stethoscope, cardiogram or any other of the medical man's accoutrements. In this disease icy masses form around the heart with the organ itself apparently petrifying—and, these days it seems to be more and more an occupational disease of parenthood. Only we don't usually refer to it in medical terms; ordinarily it's called rejection, rejection of children by parents.

LITTLE FLOWER'S SHRINE For months now we have been begging help to build that Shrine Chapel of the Little Flower in Lebanon, north of the Holy Land, for the conversion of Russia. To all who give even the smallest gift we send "The Unpetalled Rose" the picture of St. Therese and her poem prayer.

FATHER PEYTON It is just a year since we appeared for Father Peyton, the beloved Benedictine who had to take all his orphan children from Syria to Lebanon leaving everything behind. Two hundred dollars is a lot of money to give from ORPHAN'S BROTHERS for one orphan; but your little gift will help us do so.

TRAJAN'S VETERANS Trajan Barbul, twenty years old, is a student at Oradea Mare Seminary in Romania, with four years before graduation. He has a good Romanian first name, even though it was first used by the Roman Emperor Trajan in the second century. The Romanians are the descendants of Trajan's veteran soldiers. Can you adopt our Trajan and give the four hundred dollars needed for the rest of his course? How he will rejoice to know that you are his benefactor, and how he will gratefully pray for you!

DOG DAYS Summer with dog days and heat, makes us lay, but the missionaries must carry on. Please do not forget our dollar-a-month clubs the CHRYSOSTOMS for training priests, the MONICA GUILD our Altar Sodality, or the DAME MARY'S BUNDS and the DAMIEN LEFER FUND. Have you written for the new folder "Two Faces" which we send to all who help the leper?

WE SHOULD MOVE Bishop Paul Chelkko tells us that he needs a little school at Kerbis, Iraq, and that it will cost \$140. Can you make this possible? It is very hard to stretch the dollar monthly dues of the BASILIANS, our School Clubs, and we do need many more members.

HEART SO PURE From day to day the American Medical Sisters at Mary Girl, India, have pitiful pleas from the sick poor for admission to their little hospital of the Immaculate Heart. But there are only twelve beds in this first Catholic hospital in all South India. Won't you help it to grow? To all who do we send the leaflet on devotion to Our Lady of Fatima, with a picture.

THE LETTERS men have left for the baseball diamond and the girls have changed from "discussions" to chatter on the matter of summer wardrobes. One of Suzy's biggest problems is achieving the new look without getting that same old look from Dad when the subject of new clothes comes up.
