Court Bars School Use for HNS Cmmunion Breakfast Needham, Mass.-RNS-A pe-

tition c' the Holy Name Society of St. Joseph's Catholic Church here seeking to compet the Needham School Committee to allow use of a school hall for a communion breakfast has been dismissed by Superior C urt Justice Joseph L. Hurle/

An official of the school committee lestified that the application was denied because the soclety "is a sectarian group using the hall primarily for a purpose of interest to their own group." The society claimed that the committee's action was "arbitrary" and "capricious." C. Edward Des-Roches, secretary of the Holy Name Society, said the Needham selectmen had offered his group use of the town hall instead of the school hall.
