Harry Bridges Gets Frank Answer From Father

Pittsburgh's noted "labor priest," Father Charles Owen Rice, recently published a booklet entitled "How to Decontrol Your Union of Communists."

Among the Consmunist-controlled unlons listed by Father Rice is Harry Bridges' International Longshoremen's and Warehousemen's Uniton.

This prompted Bridges to write a letter challenging Father Rice's charges against his union. Bridges' letter to Father Rice and the priest's reply are reprinted in the Pittsburgh Catholic as fol-

"Reverend Father Charles Owen Rice "Joseph's House of Ecspitality "Pittaburgh, Pennsylvania "Dear Eather Rice:

"I am writing you with respect to your handbook, of instructions to members of the A.C.T.U. (Association of Catholic Trade Unionists) entitled 'How to Decontrol Your Union of Communists.'

"In this handbook I notice on the back page that you state: "If your union is one of these listed below—your local union is in the hands of Communists."

"Below that statement is a list of unions and the ILOU is included in that list. "I would appreciate a statement from you giving your reasons why you list the ILWU as a Communist controlled union. "If you wish, I will make your reply available to our membership.

"I hope you will in all fairness comply with this request. "Very truly yours. "Harry Bridges, President."

July 22, 1948

"Mr. Harry Bridges

"International Longshoremen's and Warehousemen's Uraion "1500 Golden Gate Avenue

"San Francisco 2, California "Dear Mr. Bridges" "I have received your letter of July 17.

You asked me why I listed the ILWU as a Communist controlled union. "My chief reason for listing the ILWU as a Communist controlled union is that

"The record of yourself and your international union has been one of consistent support of the Communist party line.

"LET ME GIVE you an example or two: I remember talking to you at the 1040 CIO convention in Atlantic City. At that time you were isolationist and anti-

"You supported strikers at North Armer ican Aviation and so cen. You made no secret of your views, but you shouled them from the house top, It was an imperialist war, you told me that day, and you said

"On June 21, 1941, Hitler invaded Bussia. That changed the war for you and it became a democratic, a people's war. You were so enthusiastic for the war when it

was Russia's war that you cooperated with the bosses.

"You promoted a no-strike pledge and you even went so far as to suggest that the nostrike pledge he continued after the war, because at the time you and Browder and Pressman and others believed that Russia would want a decade of peace and amity with the United States.

"I ALSO REMEMBERS that during the war you were so opposed to strikes and so careless of the true interests of the working man that you instructed your people to do the work of the strikers in a Montgomery Ward warehouse-the short ugly word that describes this is the word

"With the end of the war when the Communist Party line changed, you changed. You became aggressive again. You forced the no-strike pledge.

"You turned on 'our giorious allies' and you discovered once again that there was such a place as Wall Street and you dusted off the old word 'Emperimitat' You have followed the Communists

in their third party adversture. This alone would not make you Communist con-

"None of the things alone would make you a Communist or a Communist fellowtraveler. But taken all together as a pattern-they spell 'Communist controlled.'

"The Communist controlled unions of the CIO today are bucking hilip Murray and the vast majority of CIO members in the CIO's policy of no labor splitting, third party wild goose chase in '48. party wild goose chase in '48.

"You and your ideelogical colleagues re trying to defeat progressives who aspire to the halls of Congress if these progressives will not piedge themselves to support pro-Communist foreign policy. You and the others have opposed the

Marshall Plan; you have opposed the admittance of displaced persons who seek a haven in this country. "Finally, if I knew of one single in-

stance in which you opposed it even failed to support enthusiastically a Communist party line policy I would hesitate to say that you and your union are Communist

trolled because if you were not, you could perform a service for the working men and women of America that they badly "But as matters stand I am afraid that

"I REGRET THAT you are so on-

for all your labors, you have done the workers of America more harm than good

You may make this reply public or you may make it available to your members if you so desire.

## Near East Missions

Beach Good-bye

It was on the beautiful beach of Ostia, on Italy's coast, that St. Augustine bade farewell to his mother, St. Monica. She was going home to die. On his feast, August 28, we pray for more members of the MONICA GUILD, our Near East Alter Sodelity. Give a dollar monthly and help provide vest-

ments for needy missionaries. A set costs thirty dollars. HAVE YOU READ IT? Write for "HAIL FLOWERS OF THE MARTYRS". We send it to all who help educate missionary priests, on their way to martyrdom. Can you adopt Gabriel Sferlea, twenty-two years old, a student at Oradea

Mare Seminary, Romania, and give three hundred dollars needed for his remaining three years? Even a dollar monthly to the Chrysostoms. our Student Support Club, does wonders! THINK OF THIS If every reader of our appeals in the Catholic papers were to give a

dollar to the Near East missions, we could support all our work for two years! Won't you join the Association and share in the Masses of our missionaries, including forty special ones offered every month in St Peter's, Rome? Annual membership is one dollar Family is only five, and perpetual is twenty. This is our stringless gift fund for need-

IMMACULATE HEART

We shall not give up hope. Before August, month of the Pure Heart of Mary, ends, someone will give a thousand dollars for a little Chapel of the Immaculate Heart in Bishop Salman's diocese of Transjordan.

GOD BLESS THEM:

Many gave small gifts for St. Vincent's Crib, the Foundling Hospital of the Daughters of Charity in Beirut, Lebanon, but we are still far from the sum of twelve hundred dollars so badly needed. Here is a real work of mercy-shelter to homeless babes, abandoned on the door-

BEAUTIFUL FOUNTAIN

Mary's Immaculate Heart was the fountain of Our Lord's Precious Blood, and this is a good month to give a rouge bouquet of Eucharistic gifts—chalice, ciborium and tabernacle—to a Near East chapel. Cardinal Tappouni asks for these, and you can make all three lovely gifts for one

TIN IS HOT Under a tin-roofed shed at Zahle, Lebanon, little children swelter to get a free Catholic schooling But only five hundred dollars will build a real school for them. Won't you help? It is so hard to make those

dollar monthly dues of the BASILIANS, our School Club, stretch. We need many members.

We know you will help.

"I WAS HUNGRY" Ten dollars for a food package reaps the reward of Christ. For over two years we have had to send monthly shipments to refugee priests and seminarians in Europe, and for a year to the starving of Palestine.

PLAIN FACTS One Mass offering will support a Near East missionary for almost a week. You can send our beautiful Mass cards for the living or deceased to friends. Write for our free leaflet on the Gregorian Masses.

LIVE HEREAFTER! Live in the hearts of God's ever grateful poor by remembering the Near East missions in your will.
