Sales High School, class of 1943. He learned to read Braille in his own home. The unfailing courage and fine spirit of the young man are an inspiration to those 'who have eyes to see" hut often fail to appreciate their value. Deeply interested in sports, he

wrote basketball games for the Geneva Times while a student in De Sales High school. He had intended to become a sport writer but now has been advised that sports will be difficult so he is becoming interested in other angles of journalism.

Describing the Morristown training school, he told of work that is being done there.

"It takes several months or a year for the owner and dog to get really working together. It's the closest kind of teamwork possible," he said.

SOME PEOPLE misunderstand the jerk which the owner of a seeing eye dog gives his dog at times. He mentioned one case in a nearby city where a passerby thought the owner of a seeing eye dog was being cruel to the animal. He walked over and slapped the owner, when he saw him

jerk the dog's leash. "It was just part of his training," he said, "The dog under-
