Ave Maria Program To Be Recorded for Fatima Nun

Garrison, N. Y.—(NC)—A transcription of the story of Our Lady of Fatima which will be dramatized and broadcast on August 22 by the Ave Maria Hour, produced by the Franciscan Friars of the Atoneement of Graymoor Monastery, here, will be sent to Sister Mary of the Immaculate Heart, survivor of the three children to whom the Blessed Mother appeared in Portugal in 1917. The broadcast will be a special presentation of the Ave Maria Hour, commemorating the Feast of the Immaculate Heart of Mary. The transcription will be presented through the Very Rev. Raphael Grande, S.A., Superior General of the Society of the Atoneement.

In a letter to Sister Mary of the Immaculate Heart, Father Grande stated: "The message which Our Blessed Mother gave to the world through you is now known far and wide in this poor, sick world. We know it will add to your happiness to learn that we are sending Our Lady's instructions... to all who will hear it in the United States on the Feast of the Immaculate Heart of Mary." At the time of the apparitions, Sister Mary of the Immaculate Heart was 10-year-old Lucia dos Santos. Some years after the death of her companions, she entered the Congregation of Sisters of St. Dorothy in Tuy, Portugal, and a few months later became a member of the Carmelite convent at Coimbra, Portugal.

The pilgrimage, which opened today and will continue through August 23, is occasioned by the visit of the "Pilgrim Virgin" to the shrine of the statue of Our Lady of Fatima. The cablegram was signed by Msgr. Giovanni B. Montini, Substitute Papal Secretary of State. It stated: "The Holy Father, on occasion of the pilgrimage and prayerful devotions in honor of Our Lady of Fatima, imparts to their Excellencies, the clergy, the Religious and the faithful, especially the sick, participating in the general Apostolic Blessing, pledging abundant divine graces and heavenly favors."
