**CONFIDENTIALLY, Mr. Phipps, it shrinks!**

It takes nerve! But we've proved again and again that it works swell for everyone. You get a break--and so do we!

Step into your Bond store, ask for one of our popular **Style Manor Suits**, and you'll see the same smooth worsteds, the same fine needlework--and the same familiar price tag - 37.75.

Set your sights on our famous **Park Lane Quality**, and you'll find America's topflight fabrics handsomely tailored in 21 different sizes and models--at one low price you paid last spring - 45.75.

Some folks insist we're whacky. They'll tell you that when costs go up, the public must pay. We say "nuts to that".

We figure it this way. Fine worsteds--the only kind we'll ever show you--cost us an average of 50 cents a yard more. Bond needleworkers draw more money, too. BUT--instead of boosting all our suit prices, we've decided to sit tight, get more business--and let bigger volume rub out a big chunk of our increased costs. Instead of selling a hundred suits, we'll hold the line, try to sell two hundred --and beat the rise that way.

Decide you want the luxury and fine hand-detailing of our Rochester fashioned **Executive Group Suits**, and we'll show you a grand selection at a price you'll recall with pleasure - 51.75.

That's "the Bond way", Mr. Phipps! The way America's largest outfitter to men again puts new life into your rapidly shrinking greenbacks. We think you'll agree that it makes sense!
