Elmira Catholic Highlights

By KATHERINE KARSTATER

With a brand new school year before us, the students of Elmira Catholic High School did not find it difficult to return to school and resume their studies. The first task of the business minded Seniors and Juniors was the election of class officers.

New officers in the senior class are: President, Cornelius Loren; Vice president, Rosemarie Cruill; secretary, Robert McGill; treasurer, Patricia Donahue; Junior Class officers are: President, John Cusick; Vice president, Barbara Romasser; secretary, Raymond Wineski; treasurer, Dolores Doran.

With the opening of school, an informal assembly was held in which a gay spirit prevailed throughout. Various songs with appropriate words were presented by all the classes, in which the freshmen were welcomed as was our new teacher Sister Mary Lourdes. The entire faculty was remembered in the song "God Bless Our Teacher."

An address by our principal, Rev. William A. Burns, stressed the importance of our high school records in our late lives.

SODALITY The first regular monthly meeting of Our Lady's Sodality was held recently after school. Officers for the coming year are: Perfect Thomas Agan, vice perfect and Eucharistic Corn miller chairman, Cornelius Loren; second vice perfect and Apostolate Committee chairman, Michael Morgan; secretary, Patricia Donahue; treasurer, Jean Milliken. Our Lady's committee, Mary Helen Sullivan, publicity and parliamentary, Katherine Karstater. Reports from the committee leaders were given concerning the program they hope to follow during the coming year. A series of noon day meetings is scheduled in order to teach the art of parliamentary procedure. Beginning in October prospective Sodality members will begin their probation period.

The students were honored recently in St. Patrick's church to have their Most Reverend Bishop as Celebrant of the annual Mass of the Holy Ghost.

Deanery Forums For Holy Name Officers Slated

A series of Forums for officers of all parish Holy Name Societies in four Diocesan Deaneries is scheduled for Friday nights from Oct. 8 through Oct. 29.

The Forums, which aim at thorough discussion of mutual organizational problems, are scheduled to be held in Geneva, Auburn, Corning and Elmira. Their order has not yet been fully confirmed.

More than 30 parish Holy Name Societies in the Rochester (Monroe County) Deanery were represented at four Forums held during the last fortnight. Particular satisfaction at the interest shown in them was expressed by the Rev. Patrick J. Flynn, spiritual director of the Rochester Diocesan Holy Name Union, and Lewis A. Schur, president.

Postponed from last week because of a conflict in dates, a meeting of the Diocesan Union executive committee will be held at 8:15 p.m. Monday, Oct. 4, at the Holy Name Central Office, 35 Scio St., Schur announced.

Are you WEIGH off?

If you weigh too much - or too little - take your problems to a Physician. Proper weight adjustment is a complicated problem that demands professional counsel. Many remedies, diets and courses that work for others may endanger your health. The Doctor will study your case and write the proper prescription. Take no chances there, either!
