THE MEANING OF CHRISTMAS IS DEEPLY ROOTED WITHIN OUR HEARTS!

The star-touched spell of Christmas is like some enchanted package whose magic never wanes . . . it is a gift of everlasting love and affection to give and accept, forever new—forever joyous. This real "treasure" never changes in value . . . it is the gold glittering in all hearts at Christmas—it is happiness springing from loving devotion. Love of Mother and child, love of brother for brother — embracing each family, our country, the world . . . in the eternal worship of Him, who is the almighty symbol of love.

MERRY CHRISTMAS!

A Merry Christmas, friends! The wish is strong and deep and true,
 To bear our greetings on this day
 To every one of you!

A Merry Christmas, friends! And may
 It ring with love and cheer,
 A Christmas of such gladness
 To last a 12-month year!

The merriest of Christmases,
 A day to life and bliss
 Your hours with warmth and welcome,
 Your hearts with happiness!
