Red Rebels Slay Converts And Catechist

Rosne — (NC-FIDES) — Re-ports continue to reach here of haused for Catholicism among members of the communisteem instea Vietminh movement, which they say, recently resulted in an Quibreak in which a catechist and three catechumens wers savagely stain. The reports told the following story:

AT THATAP, a parish near Hand in French IndoChina, un-der the care of the Redemptorist Fathers, there has been of late a strong convert movement. Peo-ple in about 15 villages express-ed the desire to become Catholics, and tealously studied the doctrine under the guidance of priests and

One day about 200 of them were assembled at Thal Ap, when some 50 armed men of the Vietminh broke into the meeting hall and killed the catechiat and three of the more notable catechumens with cuttasses. This act did not reignion away the catechumens. They assisted at the funeral for the victims and continued their religious studies.

BRYEMAL DAYS later the Vietnink: raised a communist flag over the Cathollo school and ordered a salute from those en-tering and leaving. School au-thostite nevertheless removed the red-flag and in its place set up a signi which proclaimed lib-erty of conscience, above and be-yesed any political regime.

"The A.B.C. has never before seriously considered the problem," Father Carow said before going to the convention. "Their promise to do so this year should result in their seeing the moral, democratic and practical implications of the problem. Many organizations have already willingly answered the request of the Brooklyn C.Y.O. of sending petitions to the A. B.C. in favor of dropping the color line in bowling tournaments." The C.Y.O. had sent letters
