Parent's Role Studied In Lenten Series

League of Holy Family Parish held its first Lenten discussion class Wednesday evening at the home of their newly elected visor is the Rev. Paul J. Cuddy, president, Miss Kathleen Carmody. There was a large turnout of members.

The Lenten subject for the Rochester diocese is "Parental as educator, preparation of parents for religious instruction in the home, religious education of children by parents in the home, |dent." the pre-school child, the elemen-

THE DISCUSSION Wednesday centered around the subject "The Parent as Educator" was brought out that those who to corrupt the family which is

the cradle of civil life. "have not only the right of training and directing their children, but the superadded obligation of shaping and directing the education of their little ones for

God's purposes. "Christian schools do not supplant, but only supplement, the work of parents as religious ed-The parent remains the chief religious educator and the home remains the chief

school of religion. The minds of children are most influenced by the training versities with a priest assigned they receive at home If in their full time are: Cornell, 10,800; early years they find within the Sampson College, 1,800 and Elwalls of their homes the rule of mira College, 385 according to an upright life and the disci data furnished by the News.
