Automatic Gas Water Heater

It's a nuisance! And a dozen more inconveniences go with old-fashioned water heating, too. Compare it with modern Automatic Gas Water Heating, with a Ruud heater and its rustless Monel tank.

Monel metal in the Ruud tank means no rust - no spoiled washes. It means you can set a dial and get water as hot as you like up to 180° for whiter wash. Low cost gas, modern tank insulation, long-lasting Rustless Monel spell economy, too. And what a blessing not to wait for hot water! It's right there when you turn the tap, for dishes, baths, washing and 100 daily needs.

Payments as low as \$8.22 monthly. Only \$20.50 down - as long as 24 months for balance.
