Fordham Dean Commends Nazareth On Jubilee

Tribute to the twenty-five years' service of Nazareth College to the cause of truth was voiced by the Rev. Gustave Dumas, S.J., dean of Fordham University's graduate school.

In direct opposition to the 'isms' so dangerously prevalent in the world, we must remember the importance of vital ideas, since they are the moving force of our daily life and actions.

FATHER DUMAS cited the support and encouragement given the Sisters of St. Joseph by the community and by the bishops, Archbishop Thomas Hickey, Bishop John O'Herh, Archbishop, now Cardinal, Edward Mooney, and Bishop James E. Kearney.

He emphasized the power of ideas as demonstrated by the history of mankind, citing the French Revolution brought on by the ideas of Rousseau and Voltaire, the Einstein atomic theory and the ideas of Karl Marx.

"IDEAS ARE so important," the speaker said, "that the Sisters of St. Joseph are offering their lives to implant truly sound ideas in your minds and your hearts, ideas that are founded on truth, ideas that are founded on the love of God and His Justice."

Participating in the Silver Jubilee celebration were the Rev. Louis Edelman of Pittsford, one of the original faculty members, the Rev. Mother Rose Miriam, president of the college since 1920, and Sister Teresa Marie, dean of Nazareth since the opening 25 years ago in the structure known as the "Glass House" in Lake Avenue.

The students entertained the public in the evening with a concert by the Glee Club in the auditorium. J. Theodore Hollenbach directed the 130-voice group. Solos were sung by Dale Nalbach, Marlon Welch and Cecilia Chang, talented Chinese student.

Russell's 268 Clinches Trophy For Santa Clara

Auburn—Eddie Russell, the lead-off man for the Santa Clara team of the St. Aloysius Holy Name Bowling League, rolled 268 in the first game of the "Roll For The Trophy" between Santa Clara and Notre Dame.

Russell's great game — that nearly turned out to be a perfect game — was the blow that stunned Notre Dame and enabled Santa Clara to win the trophy. Eddie combined his 268 with 163 and 170 for a 601 total.

Joe Stapleton, the morale builder of the victors, came through with 537. Bill Dunn helped out the cause with a 202 game that helped him to a 505 total.

John Terry, the terrier, tried to inspire a faltering Notre Dame team with his 561 total, but they did not catch fire till the last game when everything had been decided. Frank Geno with 213 in the last game totaled 529 for the match while Frank O'Connor, the "shining light" of the Notre Dame team came through with 510.
