Why Are They Silent?

We have listened in vain for one authoritative voice from the non-Catholic Christian world - demanding that the Shrines of the Holy Land be forever set apart as Holy Ground . . . The Vicer of Christ-has spoken not once but many times! Now, for a second time he has sent Monsignor McMahon to the Homeland of our Savior-the Birthplace of our Faith; to proclaim the Rights of God, and of God's Church:-and to voice the Rights and the Needs of the Refugees of Palestine . . . This past week we have received pathetic letters of thanks from Archbishops Marina, Assaf, Malouf and Abed-for aid that You have given for their suffering people., . But the crisis is not passed! We still need Your help. These men of God have become beggers for Christ's poor . . . Ten dollars will support 4 Refugee Family for a week! . . . Can you give that? or more?
