 For those who are leaving Catholic High this is an ideal time to straighten out all difficulties before stepping out into the world. For the other students who still have school days before them, it is the time for preparing to make the most of them. The senior day is rapidly approaching bringing the excitement of yearbooks, the senior banquet and party.

Elmira Catholic Highlights (cont.)
 The seniors are looking forward to attending the 9 o'clock Mass and Holy Communion in a church on Saturday mornings as well as on Sundays.

Elmira Catholic Highlights (cont.)
 Father O'Connell declared we should appreciate the Mass because if we did then we would make our way to church on Saturday mornings as well as on Sundays.

Elmira Catholic Highlights (cont.)
 Father O'Connell also pointed out that there is a big difference between attending and assisting at Mass, and that if we said the Mass with our minds and thought about what we are saying, we would realize that it is the greatest act of worship and would assist more often.

 Although it was the last union meeting of this year it was far from being the least memorable.
