Saint Michael's Church

869 CLINTON AVENUE NORTH

Rochester 5, New York

THREE quarters of a century — a lifetime for most of us — a second in eternity. In reaching the three-quarter century mark, St. Michael's Priests and People offer to Almighty God their heartfelt appreciation for the accomplishments of those who have gone before them, who worked unceasingly to make St. Michael's one of Rochester's finest churches. Down through 75 years, in succession of pastorate after pastorate, these foundations have witnessed the pageantry of life and death through nearly eight decades and, today, stands as one of Rochester's best known tabernacles of our Divine Saviour. The Priests and Parishioners of St. Michael's Church invite their fellow citizens and friends to join in sincere prayers of thanksgiving to Almighty God.
