Second Ex-Chaplain Of Legion Dies

Death of a former national chaplain of the American Legion last week in Cincinnati, Ohio, came only two weeks after the death of the Rev. Dr. George F. Kettell of Rochester, also a former national Legion chaplain.

Funeral rites were celebrated in Cincinnati on Friday for the Rev. William P. O'Connor, 60, chaplain of the Disabled American Veterans of World War I. Father O'Connor, who served as chaplain of the 136th Field Artillery in World War I and the 37th Division in World War II, was pastor of St. Catherine Church, Westwood, Ohio.

Father O'Connor, who died in a hospital, represented American war veterans at the dedication of monuments in Belgium, France and England. Burial was in Dayton, his native city. Surviving him are six sisters, two of them in religious orders, and two brothers.

Father Kettell, 62, pastor of St. Mary's Church, Rochester, was killed in an automobile accident Oct. 19. He was named national chaplain of the Legion in 1929—the first Catholic priest, as well as the first clergyman from New York State, to hold that post.

Diet Important In Hospitals

The way to a man's heart may or may not be through his stomach, but the way to a man's health most assuredly is according to the Rochester Hospital Fund leaders.

In Rochester's hospitals, food often play a vital role in hastening recovery from illness. On doctors' orders, patients are frequently placed on special diets to make sure they get the necessary quantities of proteins, fats and carbohydrates.

For such detailed attention to the diet of thousands of patients daily, extensive kitchen and auxiliary facilities are required.

Expansion of those at Highland, Genesee and Rochester General hospitals, now heavily overtaxed to meet the demands placed upon them is an important phase of the program to modernize and enlarge Rochester's voluntary hospital system.

The program, designed to enhance the security and well being of all residents of the Rochester area, will be made possible by early completion of the $6,940,000 Rochester Hospital Fund.
