McCURDY'S OWN NEW NYLON CREPES

made of 10-denier real crepe twist nylon yarn by Granite

It's made of two 10 denier strands (not one). It's made of 10 denier (not 15) nylon yarn. It's the twist that makes this Granite nylon a true crepe stocking. Now, for the first time at McCurdy's and only at McCurdy's in Rochester.

1.95

- It's daller — therefore more flattering
- It's stronger — yet very sheer
- It's more elastic — fits more snugly
- It offers greater resistance to snags
- It's smoother feeling — 51 gauge, of course
- It comes in new winter colors
- It saves you money because it wears longer

You'll love it — and so will every girl and woman on your gift list. Give them the gift NEWS in nylons — the last word in luxury — McCurdy's Granite real crepe nylons. Mail and phone orders filled promptly — call BAKER 3000.
