Footlight Club Plans Musical

St. Boniface Footlight Club announces preparations are in full swing for its spring production—a musical to be presented April 18, 19, 20 and 21.

With a well established reputation for musicals at stake, the Club states that every possible effort is being made to make this the biggest and best ever presented.

While a definite choice has not yet been made, the Committee making the selection has narrowed its choice to four possibilities, each a definitely top-notch, well-known big name musical of proven success.

Negotiations regarding these four are now underway with New York producers and an announcement regarding its ultimate choice will be made shortly.

A Program Committee under the chairmanship of Clement Bayer is already functioning.

A meeting of officers and board will be held on Friday evening, Jan. 6.

President Edward Sloan requests that all attend since important business must be discussed at this meeting.
