Minister Gets Roosevelt Apology

St. Louis (RNS) — Dr. Walter A. Maier, Lutheran Hour radio speaker, expressed gratitude here over Mrs. Eleanor Roosevelt's retraction of a statement that he is "somewhat fanatic" and "a somewhat fanatical" who shortly before VE Day was still insisting that the Germans were a bulwark against Communism.

her courageous, straight-forward statement and wish her a joyful holiday season in Christ," Dr. Maier said.

French Miners Build New Catholic School

Paris (RNS) — Roman Catholic miners in Grand Combe have begun building a new school to replace the premises expropriated last year when the southern coal mining estates were nationalized. The premises had served Catholic children as a non-State school for over 100 years.

Foundations of the new school have been laid and the walls are going up, thanks to gifts

totaling \$2,000 received from supporters of Christian education in France, Belgium and Great Britain.

However, the amount received is not sufficient, and the miners have formed a society called Les Libertes Ouvrieres (Workers' Liberties) to raise the needed extra funds. The society, which will be the owner of the new school, is preparing a four per cent bond issue for the purpose.
