### Death and A Dice Game

A harsh picture of Calvary on Good Friday. But a true picture. While the Son of Man was dying for them, the sons of men were throwing dice for His garments. "Deeth and a dise game" is a harsh but true picture of the scene throughout the Holy Land on this Good Friday. Death moves among the refugees claiming whom it wills. Life is a gamble, a gamble on the charity of the more fortunate some of men. The Pontifical Mission for Palestine is still trying to provide for the refugees of the Holy Land. To do so it needs our help. We can use clothing. We can use funds. \$10 supplies a food package, \$5 a blanket and some basic meeds. Remember that these are the people of Christ's own homeland.

#### BANQUET HALL

You probably never thought of your local church in that way But that's just what it is, a banquet hall, where there is repeated the banquet that took place in the Upper Room on Holy Thursday To build a chapel is to build another Upper Room Many mission areas need chapels. For \$1000 we can build a simple "banquiet hall" for Christ in some small town. Will you help"

#### KISS OF DEATH

Such was the kiss given Christ by Judas on the night of His betraval. We often think of it as we kiss the altar during the celebration of our daily Mass For the altar is the symbol of the Body of Christ which we honor with that ritual kiss The erection of a beautiful altar is a tribute to Christ Bishop Scandar wants to instail a fine marble a tar in the church of Mallawi in Egypt. It will cost \$500 Do you want to donate this monument to Christ'

#### HERE'S TO YOU

That's the message of the chalice held sloft at the Consecration of the Mass, a message to God and men To God it says "Here's sacrifice of infinite value" To man it says "Here's the food of eternal life" You can share in that toast to God and man by providing the chaffee with which it's made. \$25 will buy a chalice or ciborium or monstrance.

#### APRIL FOOL

We're not fooling when we say that our GIFT CARD is the best possible Easter remembrance. After all it's a remembrance that lasts for all eternity, a remembrance in the Holy Mass, offered for a friend as a gift and announced on a truly attractive card. Send us the name and address. We will do the rest.

#### BITTER TEARS

... were the sign of Peter's great grief when he realized he had denied Christ. Bitter tears would be the sign of the great grief of another Peter, a seminarian at Charfe, if he were denied the chance to give His Master a lifetime of loyal service. We want to provide the \$600 meeded for Peter's tuition for six years. Can you give us lift'

#### A MONUMENT TO CALVARY

Every confessional is just that, a reminder of the cause of Christ's death, our sins, and a reminder of the fruit of Christ's death, our redemption. No church should lack a confessional. Many mission churches do. \$50 will remedy that delect in any church.

#### THE STORY OF THE WEEK

You can read it in 14 installments on the walls of almost any church, It's the story of Christ's Passion and Death told by the Stations. We want to tell the story in every church with these silent pictures. The 14 installments cost \$30.

#### LIFE IN DEATH

When you look at the Crucifix on the altar and the six candles that flicker beside it, that's one of the lessons you learn. By the death of this Person was death itself conquered. By the death of this Person was elerned life secured for all men. You can help teach that lesson by supplying the Crucifix and candles for one of the needy churches in Bishop Nouseir's diocese . . . for \$50.

#### THE HOLY SHROUD

It was the privilege of the Holy Women to supply the limens for the burial of Christ's Body. You can enjoy the privilege of supplying the linens for His altar for a dollar donation monthly to our MONICA GUILD
