Work Begins On New Wing For DeSales High School

Geneva — Ground was broken and work begun Tuesday, Apr. 18 for the new wing of De Sales High School. Start of the project was delayed for several days because of bad weather.

Brown and Hoyt Construction Co. of Canandaigua started the excavation of dirt in the preliminary steps of building the \$111,647 wing.

THE NEW STRUCTURE will be built on the site of a wing which was destroyed by fire Mar.

23, 1943. Framework had previously been set up for a worker's toothhouse and a ditch was started for sewer lines.

Workers hope to have the wing completed by next September in time for the next school year.

Joseph P. Flynn of Rochester is the architect.

Lighting Show Opens May 9 In Columbus Auditorium

A Lighting Show, presenting the newest ideas and techniques in modern methods of illumination will be presented at Columbus Auditorium on May 9, 10 and 11, under the sponsorship of Rochester Gas and Electric Eskine Healy, General Electric Supply, Graybar Electric Co., Kovalsky Cart Electric Supply, Weble Electric Co. and Westinghouse Electric Supply.

The show prepared at the famous General Electric Lighting Institute at Nela Park, Cleveland, will give demonstrations and illustrated talks on five of the major fields of use of lighting: homes, stores, schools, offices and industrial plants.

The exhibit hall will be completely reset for each session of the Lighting Show so as to bring out the special features in each class of lighting. The schedule for the three days follows: Tuesday, May 9 10:30 A. M. Trade Preview 2:00 P. M. Wednesday, May 10 2:00 P. M. Store Lighting 8:00 P. M. Office and Factory Lighting. Thursday, May 11 2:00 and 8:00 P. M. Home Lighting. Special booths will show how proper lighting can add glamor to merchandise displays and increase sales. Others will demonstrate how youthful eyesight can be protected in the class room and study made easier. The value of proper lighting in adding to the worker's efficiency and comfort in factory and office will also be emphasized in dramatic displays. Proper lighting for television in the home will likewise be demonstrated.
