Lounge Opened At Immaculate

Newest feature of the Immaculate Dancing Center is a comfortable lounge room for the serving of refreshments which will be tried out at two special dances, Friday and Saturday nights.

The entire back auditorium of Immaculate Conception School has been set up as a lounge room, with lamps adorning the side walls and individual tables. The girls who serve on the refreshment bar will act as waitresses in the lounge room, designed to allow dancers to sit out a few numbers and watch actively from a ringside table.

To determine the popularity of the new room, besides the regular Friday night dance, May 28, from 9 to 12 with Bob Dunlap's orchestra, a Saturday night dance is being arranged. A new orchestra will make its appearance under direction of Dick Dennison. High school students from Brighton and Marshall high schools and Aquinas Institute make up its membership.

A new price of admission will be used at this dance—fifty cents per person.

All the additions are the result of a suggestion box presented to the dancers for the past several weeks.

A two-band dance is also scheduled Friday June 2 with the orchestra of Joe Nolan and Dick Dennison.

The Great American Game -- At Camp Stella Maris

As the cold winds of Winter change into the warm breezes and welcome sunshine of Spring, the word "baseball" takes on a magic sound. The cares of Winter seem to fade away as we look forward to the coming season either as a player or a fan.

To Americans, it doesn't seem to make much difference. Fathers surrender their places on the sand lot to their sons and get an even bigger thrill watching the youngsters play.

In keeping with all that is best in our American traditions, ball playing is encouraged, where ever children are being trained. For we see in our favorite sport an excellent character builder.

Lessons in fair play, citizenship, cooperation, and just plain getting along with the other fellow, learned on the diamond, will be carried over into daily life. We at Stella Maris feel that the ball field is an ideal place for wholesome fun, and an even better training ground for young Americans.

That's why the old familiar "Play ball" is heard every day on the Stella Maris grounds.

FOR THE PAST 25 years now, the Diocesan Camp, located on Conesus Lake, has offered children a summertime of fun, and its two diamonds have played an important part in the recreational program. This year the camp opens July 2 with six weeks of planned activity for boys between the ages of 9 and 16. There will be a girls period beginning August 13 and ending August 26.

The athletic department has been organized for the coming season under the direction of William Miller, student at St. Bernard's Seminary. He will be assisted by Michael Volpe and Robert Kanka.

All of these young men are well qualified to supervise the ball field activities. In addition to baseball campers will have the opportunity to participate in archery, volleyball and basketball.

SVD Building To Be Blessed

(Continued from Page 1-A)
 North America and Africa, Indians of Argentina, Brazil, Chile and Paraguay, in wild areas of China, where the Society conducts the Catholic University of Peking, in 28 stations in Japan, where it conducts the Catholic University of Nagoya; in the Philippines, and in the Indies.

In the United States, a seminary is conducted for Negro boys and 20 Negro priests have been ordained. A Negro Brotherhood is a feature of the society.

On its diamond jubilee the Society numbers among its members a Cardinal, 20 Archbishops, 13 Bishops, 6 Prefect Apostolic, 2300 priests, 1300 brothers, 750 major seminarians and 2,300 college and high school students. Its growth is attributed to Father Janssen's devotion to the Holy Spirit, learned in his parental home.

HERE IN ROCHESTER diocese, the Society's foundation numbers approximately 400 priests, brothers and students.

The latest addition, the clerical novitiate, is a three-story building connected with the church and the old faculty building. Constructed with brick exterior, the new building will house about 100 novices.

On the main floor are offices and guest rooms. The second and third floors are constructed for classrooms, novices' quarters, recreation hall and dormitories. Approximately 40 novices are now housed in the new building and 60 are expected next year.

Police To Aid Visitors
 Chief Herbert Killip of the Rochester Police Bureau has instructed his staff and officers to be in readiness to care for the tens of thousands of people expected to visit Rochester from every state and the provinces of Canada during Lila Time.

One game in the High School league resulted as follows: St. Anthony 1-0. St. Michael 1-0. St. Boniface 0-3.
