Alumni Rallied In Expansion Drive

St. Bonaventure Building Fund

Plans for the St. Bonaventure Building Fund drive which opened Sunday at dinner in Mark Twain Hotel, Buffalo are discussed by leaders. In photo (from left) Very Rev. Juvenal Lalor, O.F.M., president of St. Bonaventure College; Very Rev. John Lambert Rowan, O.F.M., rector of Christ the King Seminary; Very Rev. Thomas Plassman, O.F.M., provincial of Friars Minor, Holy Name Province; Hon. James A. Farley, national general chairman; William H. Kearney, national lay alumni chairman.

Farley Opens \$4,000,000 Drive For St. Bonaventure

"Give this drive the support and encouragement it so richly deserves, to help St. Bonaventure rise to take her place with the best colleges and universities in the country."

This was the message of the Hon. James A. Farley to alumni in the Southern Tier area opening the \$4,000,000 campaign for St. Bonaventure College at a dinner in Mark Twain Hotel, Elmira Sunday night. Farley is general chairman of the campaign, which is the first phase of which was opened at the dinner.

"Actually, although I am not an alumnus, I have been in close contact with the progress of St. Bonaventure and have been kept in that state by our mutual friend and benefactor, Father Thomas Plassman, former president of St. Bonaventure and now Provincial of the Holy Name Province of the Order of Friars Minor," Farley said.

The former Postmaster General and now board chairman of Coca Cola was presented by William H. Kearney of Syracuse, national alumni chairman.

"I KNOW THAT this present expansion program is a vital necessity. If the college is to continue its excellent work," Mr. Farley declared.

Directing his speech to the alumni who will be doing the actual solicitation, Farley said:

"Let me tell you gentlemen that there need be no element of shame in your approach when you seek contributions to St. Bonaventure. There is hardly a college in the country that is not seeking additional funds. You are in company with the alumni of the most respected institutions in the country."

He said that the common feeling was that religious orders are rich.

"THEY ARE rich in honor and respect and devotion. If they are rich in terms of wealth, it has escaped my observation. Large sums of money may be handled, but it must be spread out thinly.
