A DP GETS NEEDED LIFT

Little Lewki Zbigniew, four-year-old Polish DP needed some help to get that cold drink of water at the pier, when he arrived in New York abourd the U.S. Navy Transport General Stewart. Miss Louise Kaciczak, War Relief Services N.C.W.C. representative, is giving the extra lift. Lewki, with his parents were brought to America by War Relief Services National Catholic Welfare Conference, They will make their home in Franklin, New Jersey. (NC Photon)

A House Party Ball---Instead of a Brawl

"No more pencils, no more house party or that books and no more teacher's. In other words, it is possible dirty looks." School's out, exams for a house party, even a very are over and quiet to bed at nine thirty one to

now graduation itself is almost a thing of the past. This calls for a real celebra-

tion and the only due celebration a bunch of kids can settle for is a house party ---

Bullivan a rollicking fun-packed house party at some secluded spot where people won't complain about our songs, our aughter or the weird amelling fumes from our inexperienced

brows when "back in the city" we imagine

shady reputation. Sometimes the talk is just unfounded gossip and that's unfortunate for a particular

house party group. But actually there's only one way to beat the whole problem That's by making sure that the conduct of the kids on your bouse party is completely moral and gossip-proof Bon't give people the chance to talk. Instead brush up on house

be talked about and end up with

party eliquette before you take off for the lake

THE REASON most house parties go berserk nowadays is be-YES, HOUSE PARTIES are a look at them as an escape hatch parrel of fun and the people who from everything civilized and classify them as the eighth capital ain have entirely the wrong own and things that we don't alant. But then how can we do at home become perfectly plame them for raising their eye "legit" on a house party or so

the rumors are a dime a dozen. The old standby. "Would you concerning the goings on at this do this at home " no longer holds water Naturally, things " like our staying up all night are All right even though our parents CLARA PALMER OLIVER, 45 SHRINE of STE. A NOOR wouldn't be so keen about the Clinton Ave. N. H.Amilton 4978.

But it a in higger things where we seem to excuse ourselves that ELECTROLYSIS removes sup-Ten Commandments only erflous hair on face, arms and hold to the city line.

TARE FOR example, the fel lows that appear at house parties. Next to a good jar of pea nut butter, there's nothing a girl likes to see better than a fellow walking in the front door of a cottage. And after a grueling day of sun bathing and swimming there's nothing like a date to

But here's the question. Why can't the date end at a decent hour? Why can't the boys toddle off to their Buicks and Cadillacs and check out before daylight? It's the girl's place to do the elbowing. Were she

home, she wouldn't want, or be able to have four or five fellows aitting around her living room until the sun came up.

The shutters on the cottage Agnes don't make any difference, so let's get up enough courage and with the religious long enough principle to shag them out but

OUR BAGS are all packed and we're off but before we leave let's just remember that we can have a ball without a brawl. Can't you have a lot of fun when you know you can tell others about your fun and not have to hush it up. Coneaus, here we come!
