

Rochester Priest Named State Chaplain Of A O H

The Rev. Michael P. O'Brien, assistant pastor of St. Thomas Church, Inwoodpark, has been appointed to serve a two-year term as New York State Chaplain of the Ancient Order of Hibernians. He was named this week by Austin Carey of the Bronx, New York City, recently elected State President of the A.O.H.

Father O'Brien succeeds the Rev. Dr. Edward Lodge Curran of Brooklyn, president of the International Catholic Youth Society who had served as A.O.H. state chaplain for four years.

ACTIVE IN Hibernian affairs for more than 10 years, Father O'Brien has been County Chaplain of the organization during that period. He has also held the office of State Historian for a three-year term.

Father O'Brien is a member of Rochester Council, Knights of Columbus and served in World War II as an Army Chaplain. He is a member of the Organized Reserve Corps and is Chaplain of Hutton Miller Post of the American Legion.

Communists Close Churches As Alleged 'Safety' Move

New York — (NC) Catholic churches still open in Soviet-occupied Lithuania are being systematically closed by Red authorities on the grounds that they are "unsafe for occupancy" the Lithuanian bulletin published here reports.

Because of "shortage of materials" the magazine reports repairs on churches are forbidden. NO COLLECTIONS are permitted to be taken in the churches still left open. Permission to sing religious hymns in the churches is required in advance as well as specification of what hymns will be sung.

The reasons for this regulation, the publication states, is the communist effort to bar the singing of such popular Lithuanian hymns as "Mary, Mary ease our slavery."

The Bulletin reports that at some churches tickets must be obtained to attend Mass or other religious services. These tickets are sold by the Red authorities at seven rubles each (\$1.75 at the official rate) and the proceeds go to the regime.

Services must be scheduled in the early hours of the morning to prevent "the wasting of working time," the magazine states. IN KAUNAS, a city of over
