**IS DEFINITELY  
THE BUY WORD**  
How? Why? Whenever we take in used cars, they're put through a rigid "survival of the fittest" test before they're considered eligible to be offered at retail. Many of them—most of them, in fact—fall by the wayside, and are sold by us at wholesale.  
Those that remain are given a thorough overhauling from bumper to bumper—then priced to sell and sell FAST!  
This screening process of ours assures you of satisfaction, just as our low prices assure you of true economy and worth.  
Our 48-hour Money-Back Guarantee is convincing proof that every one of our used cars is BACKED BY WHITING!
