## 4-Point Teaching Program Started In Parish Paper

Under the heading "Our Job Is To Teach," the St Peter and Paul parish publication in Elmira, "The Chimes," reports on a four point teaching program in the parish.

An enrollment of 245 pupils is reported under the subheading Parish School. Classrooms have been newly painted, the work of grading the lawn and landscaping the school grounds is reported progressing as planned earlier in the year.

DIRECTED BY Walter Bosley, the Youth Program will continue. The Fall program of activities will include football, track (for girls), basketball, boxing, badminton, tether ball, races in the gym each Saturday morning, class parties, Halloween, Thanksgiving and Christmas parties and volley ball.

A parochial school league in touch football and in basketball are being planned. An inter class league for boys and girls of St. Peter and Paul's School will be formed. Three basketball games will be scheduled with outside teams each Saturday night. The third annual foul shooting contest will close the basketball season.

CLASSES IN religious instruction on released time have begun. These are for pupils in public high school and grammar school. The publication commends the pupils for their faithfulness to the weekly classes. Tribute is paid to parents for their interest and to public school principals and teachers for cooperation.

The parish has started another class of instruction for adults in the Rectory. These classes of about 45 minutes duration each, will continue Sunday, Wednesday and Fridays. Catholics and non Catholics are welcome.

## American Named India Archbishop

**Rome** (NC) Two ecclesiastical provinces have been erected in Pakistan, with the raising of the Dioceses of Karachi and Dacca to archbishoprics. At the same time Bishop Lawrence L. Graner, CSC., of Dacca and Bishop Alcuin van Miltenburg, OFM., of Karachi have been elevated to Archbishops. Archbishop van Miltenburg becomes Metropolitan of West Pakistan and Archbishop Graner Metropolitan of East Pakistan.

The revision of ecclesiastical boundaries between India and Pakistan necessitated the changes, which detach the area now in Pakistan from the Archdiocese of Calcutta and the Diocese of Krishnagar.

Archbishop Graner, a native of Franklin, Pa., is said thus to become the first Archbishop of the Congregation of Holy Cross to occupy his own archdiocese as Ordinary. At the same time Archbishop van Miltenburg has been nominated as Apostolic Delegate to Pakistan.

## Rosary Novena Scheduled At Dominican Monastery

The Sixth Annual Solemn Novena to Our Lady of the Rosary will open at the Dominican Monastery at 1310 W. Church St., Elmira, on Saturday evening, Sept. 23. The services each evening up to and including Saturday, Sept. 30 will be at 7:30 o'clock and the Holy Sacrifice of the Mass will be offered each morning.

The Public Evening Devotions will consist of the recitation of the Most Holy Rosary, Sermon and Benediction of the Blessed Sacrament.

On Rosary Sunday, Oct. 1, the ceremonies, which will close with Solemn Benediction and the distribution of the Blessed Roses, will be held at an outdoor altar.

ALL THOSE who join in the Novena will share in all the Novena prayers as well as the special devotions and good works of the Dominican Sisters, including the Perpetual Recitation of the Rosary.

This efficacious devotion was attended by a capacity crowd last year and many favors, both spiritual and temporal, were received by those who participated. So also, many miraculous answers to the Prayers of the Sisters have been reported during the past year.

It has been suggested that this Novena be made fervently for the most desperate needs in our midst, for a just and lasting pace, for the disturbed world and for the help of those Elmirans, who are suffering in mind, heart or body.

WE ARE living in a most critical period the horrors of the Korean situation are very close to us and to our dear ones. Never was it more important to do something extra during October, the month of the Holy Rosary. Our petitions are just the echoes of the fears and terrors that fill our hearts and stir our souls.

In 1917 when our Blessed Mother appeared at Fatima, she begged that the Rosary be recited devoutly for the peace of the world. During these days, preceding the opening of the Rosary Novena, Our Lady is pleading with you again to make a special sacrifice.

Your presence at the Novena devotions for nine consecutive days, with all the inconveniences that will be involved, can do much toward making this Novena fervent enough to obtain the miracle of a just and lasting peace in Korea and throughout the world.

Your petitions may be telephoned, written or given in person to the Dominican Sisters on Rosary Hill in Elmira. These requests, which you may sign if you wish, will be left on the Rosary Altar during the Novena and the entire month of October.
