IN expressing our thanks to Almighty God for the graces and blessings bestowed on all of us at St. Michael's, it is particularly fitting at this time that we extend to everyone in the Penn Yan community, and to the sponsors of this page, our sincere appreciation for the many acts of kindness and cooperation which have helped make this Centenary Celebration such a success.

Let us all thank God that freedom of religion still is a glorious part of our democratic nation. May He bless the efforts of everyone in His behalf during the years to come.
