Many new candidates will enter upon this year's novitiate which precedes profession in the Order. A special invitation is extended to students or professional people and to husbands and wives who would like to share their spiritual as well as their material goods.

The steadily growing Terziary library is being operated somewhat differently this year. \$17,000 Mark Passed By Mt. Carmel

A total of \$17,000 was reported in the campaign for the remodeling and renovation of Mt. Carmel School, Rochester, campaign leaders reported to the Rev. Charles J. Axel, pastor on Tuesday.

Enthusiasm over the plans for the modernizing of their school and hall, parishioners of Mt. Carmel were off to a flying start in the campaign. Chairmen of the drive are Edward J. Muelko and Michael Mauro.

Plans for the school call for new school rooms, installation of modern electrical devices, and transformation of hall, kitchen and exterior.

Persons in that neighborhood are asked to stack their old papers and magazines at the curb by 9 o'clock Saturday morning and they will be picked up. A call to Blessed Sacrament school will also bring the scouts for a pickup.
