The St. Boniface Footlight Club announces that on November 7, 8 and 9, it will stage in place of "Blithe Spirit" as previously announced, the hit comedy "Absence Makes the Heart".

All performances will be staged in the St. Boniface Auditorium on Whalin Street.

The switch in shows was necessitated by technical difficulties that were encountered in attempting to stage the former show.

"Absence Makes the Heart" is directed by John Tuttle who is the author of the work.

The show was staged this summer by the Pasadena Players, a group which ranks high among Summer Theatres. It was received with most enthusiastic praise, both by the coast producers and audiences.

Previous to the coast showing, it was presented by the Pitts-

### United Fight On Reds Urged By K. of C. Speaker

Today, a torrential devastating power is gnawing at the very foundation of our great country," some 200 Knights of Columbus were told by Joseph R. Corso, K. of C. speaker at a Columbus Day banquet, October 22 in Hotel Sherman.

Corso, national Communist Russia as the power seeking to subvert democracy and urged the long fight of the Church against Communism and the regret that we find some "wandering" followers to fight against us rather than join with us in this great conflict.

The Assemblyman quoted an article from the Masonic Monthly: "The Communists of Russia and the hierarchy of Rome are arrayed against each other and are in constant conflict. Rome preaches democracy. Russia professes to practice it. Both are the enemies of democracy. Both practice tyranny over the minds, the conscience and the bodies of their subjects."

"THE ISSUE is between Romanism and Communism. And we, as Protestants, must be on guard against joining the Catholics in their cry against Communism. Let us be found giving comfort and aid to Catholicism, which is the greatest enemy of American Constitutional Government. The problem of America is how best to safeguard itself against both atheistic Communism and totalitarian Romanism, the latter being by far the greater threat to everything America holds dear."

DECLARING the article "false tommyrot," Corso asked if Catholics must "submit to trial by ordeal to prove our good faith."

As chairman of the Civic Affairs Committee of the State Council K. of C., Corso urged subordinate councils to take a greater and more active part in the many civic affairs, activities and organizations, as well as patriotic organizations in their respective communities.

"I feel," he said, "we must strain ourselves to the uttermost to make it widely known that without any ulterior motive or selfish purpose we are prepared to stand shoulder to shoulder with Catholic and Protestant, Jew and Gentile, white or black to promote the civic welfare of our Town, Village, City, State, or Nation and that we are ready to join with them in the preservation of our Democratic form of government and the freedom guaranteed thereunder."

CORSO MADE a final appeal for united action and prayer, that "bigotry, hatred, and intolerance be forever banished from the face of the earth."

Mass at St. Joseph's Church opened the day-long celebration and was celebrated by the Rev. Matthew A. Tobin, C.S.S.R., Council Chaplain.

Father Tobin spoke at the banquet and recalled work of Catholics in founding our democracy.
