Keeps the Torch  
of Liberty Burning

- *The LIGHT*  
In the eyes  
of *FREE* people...
- *And the Glow*  
in *Their hearts!*

**F**AITH, that here in Free America, it is our privilege to raise, educate and house our children according to the dictates of our own conscience. Worshipping God, each, in his own way in accordance with the light of faith and their doctrinal beliefs. Yes, well may we all -- of all faiths thank God this day for our Free America!
