

**Smiles Crown Campaign Success**

CONGRATULATIONS for success of the St. Andrew's Building Campaign in February, 1948, are given to Harold J. Coleman (center) general drive chairman, by the late Monsignor William F. Bergan (left) then chancellor of the diocese and Monsignor William M. Hart, vicar general. More than 60,000 persons in diocese pledged \$856,000 — 170 per cent of a \$500,000 goal — in spirited two week diocesan wide drive.
